The Board of Revenue has suggested that the Minimum wages fixed by the Govt. in G.O.No.1028.Ms.Development dated 12-3-53, should not apply to the employees engaged in road construction undertaken as a measure relief measure in drought affected areas of the State. The reasons given by the Board of Rev. in support of this proposal are set out in para 5 on p.4 c.f. Such exclusion can be effected by a notification under section 30(2) of the Minimum Wages Act. The exemption can only be for a specified period and not permanently. It is proposed to exempt the road construction under the relief schemes in distress affected areas for a period of three years from all provisions of the M.W.Act. The draft order put up below has been seen by Rev. & Legal Depts. For Orders whether the draft order below may now issue.
